Oil Only	Universal	Hazmat
Use to absorb oil, lubricants, paints, and other petroleum based liquids. Will not absorb water and will float indefinitely on water.	Use to absorb and retain, oils, coolants, solvents and water.	Use to absorb acids, bases, and fluids from unknown origins.

Oil Only Meltblown Pads and Rolls

Absorbs oil repels water
Floats on water
Great for spill response

Fast wicking and economical. The porous surface of meltblown pads and rolls is designed to wick liquids quickly for fast clean up. This economical grade of absorbent is ideal for spill clean up on land and water. Pads are also available in size 16" x 20".

- Economical
- 1-Ply Construction= no coverstock
- Resulting in low durability, high lint and tearing
- Porous surface for maximum absorption
- Contractor grade for emergency spills

Oil Only Static Resistant Pads and Rolls

Use anti-stat pads and rolls in areas where the risk of static electricity is high. Ideal for absorbing highly flammable petroleum based liquids and solvents. Blue bag to distinguish static resistant product inside.

Oil Only Bonded Pads and Rolls

Bonded pads and rolls are constructed from the same uniform polypropylene fibers as the meltblown product, but in addition are sonically bonded together for **added strength and reduced lint**.

- Economical
- 1-Ply Construction=no coverstock
- Resulting in low durability, high lint and tearing
- Porous surface for maximum absorption
- Custom perforations available

Ideal for spill clean up, under leaking equipment, areas where there is overspray, leaks and drips. Perforated for easy and exact use, helps you use less and save money. Pads are perforated vertically at 7.5". 38" rolls are perforated every 9.5" horizontally and 17" vertically. 30" rolls are perforated every 7.5" horizontally and 18" vertically. Pads are also available in size 16" x 20".

Oil Only Fine Fiber Pads and Rolls

Durability, strength, and low lint. Fine Fiber cover stock adds durability to a fast absorbing bonded pad. Ideal for use in traffic areas, spill clean up, under leaking equipment, areas where there is overspray, leaks and drips. Perforated for easy and exact use, helps you use less and save money. Available in white and blue oil only. Pads are perforated vertically at 7.5". 38" rolls are perforated every 9.5" horizontally and 17" vertically. 30" rolls are perforated every 7.5" horizontally and 18" vertically. Pads are also available in size 16" x 20".

- 3Ply Construction = 2 sides coverstock
- Maximum durability, reduces possible linting and tearing
- Durable enough for wiping or foot traffic

Laminate Pads and Rolls

Superior strength and no lint. Outer layers of durable spunbond are added to a meltblown center, to create a strong, non-linting, abrasion resistant, soft and pliable absorbent. Ideal for wiping down parts and equipment, spill control, drips, leaks and applications that require no lint use. Perforated for easy and exact use, helps you use less and save money. Available in white and blue oil only and gray universal. Pads are perforated vertically at 7.5". 38" rolls are perforated every 9.5" horizontally and 17" vertically. 30" rolls are perforated every 7.5" horizontally and 18" vertically. Pads are also available in size 16" x 20".

- 3-Ply Construction= 2 sides coverstock
- High durability
- Non Linting

Hazmat Pads & Rolls

Use hazmat pads and rolls to **soak up most acids, bases and unknown liquids**. Pads and rolls won't degrade upon contact with harsh or aggressive liquids. 38" rolls are perforated every 9.5" horizontally and 17" vertically. 30" rolls are perforated 7.5" horizontally and 18" vertically. Pads are also available in size 16" x 20".

Iron Pads

Iron Pads combine high strength laminate and a sonically bonded high loft meltblown core to create a super strong pad. **Won't rip tear or fray when fully saturated**. Extra tough and highly absorbent, this pad will absorb 2 gallons per pound of material.

W BOOM 820	Oil Only	8" x 20'	2	48 gal	16

Bilge Booms

Bilge Booms are used to remove petroleum based liquids from **sumps, tanks, and boat bilges**.

Part#	Type	Size	Qty/Bale	Abs/Bale	Qty/Pit
Bilge Boom					
W BOOM 518	Oil Only	5" x 18"	10	9 gal	30
W BOOM 818	Oil Only	8" x 18"	10	18 gal	30

Universal Boom

Universal boom is used to **contain spills on land**. Non-linting and comes complete with end rings and snaps. This boom will not float on water.

Part#	Type	Size	Qty/Bale	Abs/Bale	Qty/Pit
Land Boom					
G BOOM 510	Universal	5" x 10'	4	24 gal	24
G BOOM 810	Universal	8" x 10'	4	48 gal	16

Pillows

Oil only net bag pillows absorb petroleum based liquids, without absorbing water. **Ideal for high viscosity (thick oils) spills and spills in fast moving water.** Strong outer mesh is UV resistant for long term use. Loop end allows for easy retrieval.

Part#	Type	Size	Qty/Bale	Abs/Box	Qty/Pit
Net Bag Oil Only					
W PILLOW 10	Oil Only-White	6" x 16" x 21"	10	25 gal	15

Sweep

Sweep are **ideal for soaking up low viscosity oil off of water.** Sweep can attach to boom for an extra level of absorption. Or use the nylon reinforced straps to tow sweep behind a boat or tie across waterways.

Part#	Type	Size	Qty/Bale	Abs/Box	Qty/Pit
SWEEP	Oil Only	19" x 100'	1	34 gal	48

Pom Poms

Absorb heavier oils with Pom Poms. Each pom pom attracts oil and rejects water. Use to recover viscous or weathered crudes in the most adverse conditions on land and water.

Part#	Type	Size	Qty/Bale	Abs/Box	Qty/Pit
POM POM	Oil Only	50'	1	12 gal	42

Pillows

Absorbent pillows have a polypropylene skin that resist tears. With a large surface area pillows quickly absorb and retain fluids. Ideal for **catching drips and leaks under equipment and in hard to reach areas** and adding absorbency for spill response.

Oil Only Pillows

Oil only pillows absorb petroleum based liquids without absorbing water. Can be used outdoors on land and water.

Part#	Type	Size	Qty/Bale	Abs/Bale	Qty/Plt
W PILLOW 818	Oil Only	8" x 18"	20	35 gal	30

CP26	Cellulose Granular	26 qt. Bag	6 gal	80

Diatomaceous Earth

Diatomaceous Earth, is a naturally occurring mineral based granular with superior absorbing ability. **All purpose absorbent will absorb most liquids.**

Part#	Type	Size	Abs/Box	Qty/Pit
EP25	Diatomaceous Earth Low Dust Formula	25 lb. Bag	6 gal	80
DE85	Diatomaceous Earth	25 lb. Bag	6 gal	80

Neutralizers

TS-AC, Acid Neutralizing Absorbent Powder is specially designed and formulated to clean-up Acid and Acidic Spills. TS-AC is a unique, engineered mineral formulated to absorb and neutralize all acid spills (except Hydrofluoric Acid).

TS-AC Acid Neutralizing Powder is designed to bring the acid into its structure and neutralize it at the same time. The acid is then captured, leaving behind a residue-free surface and a manageable clump of absorbed material. A color indicator further contributes to the clean-up efforts, as TS-AC turns purple during the acid neutralization process, returning to yellow once the reaction is complete. Thus giving response crews a visible sense of security. Absorbs 3 times its own weight in liquid.

**TS-AC cannot be used on hydrofluoric acid.

Part#	Size	Qty/Box	Abs/Each
TS-AC-1	1 lb. Bag	Each	1/2 Gal
TS-AC-2	2 lb. Canister	Each	1 Gal
TS-AC-5	12 lb. Pail	Each	6 Gal

5-6 Gallon Spill Kits

5-6 gallon spill kits are **compact and store nearly anywhere.**

**New steel drums also available

Drum Dolly

Move drums and overpacks across your work space with ease.

Part#	Type	Size	Handling Capacity
E-8050	Drum Dolly	27.5" Dia x 5.5" H	900 lbs.

Funnels

Securely fits nearly every 55 gallon steel or polyethylene drum. **Hinged cover for easy use**. Holds 5 gallons.

Part#	Type	Size	Qty/Box
U-0482	Drum	55 Gallon	Each

**Other models available

Fits both closed head and open head 55 gallon drums. This model has high side walls, bung fitting holders and a optional cover.

Part#	Type	Size	Qty/Box
E-3004-YE	Drum	55 Gallon	Each
E-3005-YE	Pail	3.5, 5 and 6 gallon pail also fits open top pails	Each

**Other models available

Poly Bags

Cut down on cleaning and disposal costs and make your containers last longer with drum, tote and dumpster liners.

Part#	Type	Size	Mil	Qty Box
DL366004	55 Gallon Clear	36" x 60"	4	50
DL366006	55 Gallon Clear	36" x 60"	6	50

**Other sizes, styles and thickness available

Poly Sheeting

Part#	Type	Size	Mil	Qty Box
PS2010004	Sheet/ Clear	20' x 100'	4	1
PS2010006	Sheet/ Clear	20' x 100'	6	1

**Other sizes, styles and thickness available

Bulk Bags

Bags for big loads. 4 strap heavy duty design allows for easy transportation. Foldable top flap with tie and heavy duty 3 mil plastic liner to prevent leaks. UN13H3 (Y-Rated). Safe operating capacity 2200 lbs.

Part#	Type	Size
16086	Bulk Bag	36" x 36" x 40"

**Other sizes and styles available

Dumpster Liners

De-Watering/filter container liners are form-fitted filter bags utilized in dewatering containers during solid/liquid separation of sludges. Manufactured to accommodate the standard shapes and styles of containers in use today. Various cloth, mesh & size options available.

Part#	Type	Size
DW-220804-C	Cloth	22' x 8' x 4'
DW-220804-M	Mesh	22' x 8' x 4'

**Other styles and sizes available

Spill Pallets

Spill Pallets are **engineered to meet the rigors of today's regulatory environment**. Removable grates for easy cleaning. Forkliftable. Made of 100% polyethylene for excellent chemical resistance. Optional drain.

Spill Trays

Spill Trays **keep messy drips and spills off floors.** Heavy duty polyethylene construction will not rust or corrode. Ribbed bottom keeps cans, pails and containers elevated above spills and leaks.

- Store oil cans or other liquid holding containers
- Use as spill containment for leaky machine parts or equipment
- Six sizes available

Part#	Type	Size	Sump Capacity
U-1031	Utility Tray	12" x 48" x 4-3/4"	12 gal
U-1032	Utility Tray	24" x 48" x 4-3/4"	24 gal

**Other sizes available

Popup Pools

Pop-up Pools offer excellent resistance to the widest range of chemicals, acids, fuels and other hazardous materials. Also resistant to cold temperatures to -60F, abrasions, punctures, and UV rays. **Half the weight of comparable PVC pools** and twice the strength.

Part#	Size	Sump Capacity
E-5920-YE	28" Base x 13"H x 18" Top	20 Gallons
E-5966-YE	48" Base x 14"H x 36" Top	66 Gallons
E-5900-YE	60" Base x 18"H x 44" Top	150 Gallons

Berms

Standard Foam Berms are designed for rugged portable secondary containment. This berm will withstand temperatures from -65 to 130 degrees. Portable and compact, and can be easily cleaned up, folded and stowed for re-use.

Part#	Size	Sump Capacity
BERM-226	2' x 2' x 6"	18 Gallons
BERM-336	3' x 3' x 6"	40 Gallons
BERM-446	4' x 4' x 6"	50 Gallons
BERM-556	5' x 5' x 6"	60 Gallons

Custom sizes available

Drive Thru Foam Berm

Drive Thru Foam Berm durable foam wall logs **allow vehicles to drive over them from any angle and still retain their shape.** Heavy duty fabric is appropriate for water, hydrocarbons, and most chemicals. Simple to clean and store for repeated use. Meets EPA regulations for spill containment.

Part#	Type	Size
DTFB-553	5' x 5' x 3"	47 Gallons
DTFB-883	8' x 8' x 3"	120 Gallons
DTFB-10103	10' x 10' x 3"	187 Gallons
DTFB-12363	12' x 36' x 3"	808 Gallons

**Custom sizes available

Throw N Go

Throw N Go self rising containment berm is quick to deploy, requires no assembly and can be driven on from any angle. Walls lay flat when not in use. In the event of a spill, walls automatically rise to create a catch basin. **This berm contains no working parts to malfunction.** Easily emptied through 3/4" drains. Heavy duty fabric is appropriate for water, hydrocarbons, and most chemicals. Meets EPA regulations for spill containment. Optional track strips and ground mat available.

Flex Snap Berms

Flex Snap Berms are a combination of a snap up berm and a Throw N Go berm. Side walls snap up and end walls remain lowered during normal operation, **allowing hands free drive in and drive out access.** In the event of a spill, the ends will automatically rise. Heavy duty XR5 or XR3 fabric is appropriate for water, hydrocarbons and most chemicals. Easy cleaning and storage allows for repeated use. Each berm comes with a repair kit and drains. Optional track strips and ground mat available.

Absorbent Tarps

Absorbent tarps catch and trap drips before they can reach the ground. **Use under machinery and equipment during maintenance or repairs.** Rolls or folds up small, for easy storage in vehicles for onsite repairs.

Part#	Size	Abs up to
U-8305	5' x 5'	3 Gallons Each
U-8306	10' x 10'	12 Gallons Each

Truck Diapers

Truck Diapers catch oil drips, hydraulic fluid, coolants, or any petroleum base liquid. **Secure under heavy equipment or any size truck.** Allows water to drain though while absorbing petroleum based liquids. The truck diaper is reusable with a changeable absorbent pad.

Part#	Type	Size	Qty/Box
TD3636	Medium Size	36" x 36"	Each
TDP3636	Replacement Pads	Fits in Diaper	25
TD4351	Large Size	43" x 51"	Each
TDP4351	Replacement Pads	Fits in Diaper	25

Drain Seal

Drain Seals are constructed with a flexible, non-absorbing material and reinforced tear-resistant mesh. The drain mat is designed to **quickly and effectively seal a drain in an emergency.** Its mesh interior is sandwiched between layers of polyurethane, which increases durability and gives it the flexibility to deform and seal off most drains. Both sides are designed to effectively seal most drains (no top or bottom). Resists oil, water and most aggressive chemicals, cleans with soap and water.

Part#	Size	Qty/Box
U-2126	18" x 18" x 1/2"	Each
U-2127	24" x 24" x 1/2"	Each
U-2130	36" x 36" x 1/2"	Each
U-2131	42" x 42" x 1/2"	Each

**Other sizes, round and rectangular shapes available

Drain Seal Plus

Drain Seal Plus can be left outside long term. Rugged, reinforced polyethylene top layer (yellow) provides protection from extended UV exposure and vehicular traffic. **Excellent for use in parking areas, loading docks and other areas where drains may be driven over.**

Part#	Size	Qty/Box
U-2166	18" x 18" x 1/2"	Each
U-2167	24" x 24" x 1/2"	Each
U-2160	36" x 36" x 1/2"	Each
U-2161	42" x 42" x 1/2"	Each

**Other sizes, round and rectangular shapes available

Drain Mats

Our most economical drain mat. This neoprene rubber mat **works great for temporarily keeping spills out of drains.** Molds to uneven surfaces, resists water, oil and many chemicals. Makes a great addition to any spill kit.

Part#	Size	Qty/Box
DC3436	34" x 36" x 1/16"	Each

Drain Plugs

Urethane plugs keep spills out of drains. Manufactured with a flexible polyurethane material that resists oil, water and most aggressive chemicals. Its tapered design makes it easy to securely wedge into standard drains to prevent contaminants from entering. Safety orange color. Eyebolts are removable, allowing installation of grating with Drain Plug in place. Non-absorbing, easily cleaned for repeated use. Cleans with soap and water.

Part#	Size	Qty/Box
U-2113	Top Dia. 2.5" Bottom Dia 1.5"	Each
U-2114	Top Dia 3.5" Bottom Dia 2.5"	Each
U-2115	Top Dia 4.5" Bottom Dia 3.5"	Each
U-2116	2", 3" & 4"	Set of 3

Spill Berms

Spill Berms **temporarily seal off areas from spills.** Non-absorbing and easily cleaned for repeated use.

Part#	Size	Qty/Box
U-2100	10' x 4" x 2-1/4"	Each
U-2054	5' x 4" x 4-1/2"	Each
U-2052	10' x 2-1/4" x 1-3/8"	Each

Drain Guards

Drain Guards keep sediment and other contaminants from entering the water system. Designed for use in industrial facilities, construction sites, and parking lots. Absorbs up to .87 gallons of oil and holds up to 40 pounds of sediment.

Part#	Size	Qty/Box
U-9217	48" x 36"	Each
U-9356	60" x 60"	Each

**Curb insert style also available

Dewatering Bags

Dewatering Bags contain sediment and oil pumped out during dewatering operations. Multiple sizes available. Accommodates up to a 4" discharge hose and 6" or greater discharge hose.

Part#	Size	Fits Hose Size
DWB-6X6-4	6' x 6'	Up to 4" dia
DWB-6X6-6	6' x 6'	6" + dia
DWB-10X15-6	10' x 15'	6" + dia
DWB-15X15-6	15' x 15'	6" + dia

**Other sizes available

Pipe Socks

Pipe Socks control the flow of sediment and oil out of headwall and other type of pipes.

Part#	Size	Qty/Box
U-9705	For 8" Diameter Pipe	Each
U-9706	For 12" Diameter Pipe	Each
U-9707	For 16" Diameter Pipe	Each

PND

Stop tank leaks with PND. Seals off gasoline, diesel, solvents and other chemicals. Seals immediately, and sticks to any surface even with fluid flowing out. No surface preparation required.

Part#	Type	Size	Qty/Box
PND-2	Brick	12" x 3.5" x 2"	Each
PND-3	Brick	12" x 3.5" x 2.5"	Each

Epoxy Putty

Epoxy Putty tackles the toughest repair jobs. Adheres to steel, glass, masonry and most plastics. **A quick and effective solution to cracks, broken seals and leaks.** Simply pinch off the amount desired, knead to a uniform gray and press into place. Hardens like steel in only one hour!

Part#	Type	Size	Qty/Box
U-2120	Tube	7" x 7/8" dia	12

Sta-Dri Water Cells

Remove water from your fuel tank with Sta-Dri Water Cells. Absorbs water settled at the bottom of your fuel tank. Helps prevent frozen fuel lines. Includes retrieval line.

Part#	Size	Qty/Box	Abs/Each
100T	1" x 9"	Each	3 oz.
150T	1.5" x 12"	Each	8 oz.
200T	2" x 12"	Each	12 oz.
250T	3.5" x 12"	Each	36 oz.

Scrim Reinforced Wipers

Scrim Reinforced Wipers are a multi-ply, nylon reinforced, embossed paper wiper. **Superior wipe dry performance, and low lint.** Excellent for glass and smooth surfaces.

Part#	Color	Size	Style	Qty/Case
PX-100F	White	12" x 13"	Flat Pack	500
PX-900	White	12" x 13"	Flat Pack	900

4058	White	12" x 13"	1/4 Fold	18/50
1400PB	White	9.75" x 17"	Popup Box	6/150
1840	White	9.75" x 275'	Bulk Roll	6

DRC Wipers

DRC (Double Recrpe) Wipers are constructed from soft absorbent cellulose fibers. **Highly absorbent, and durable** with superior wipe dry capability. Works well with most solvents. Excellent for a variety of wiping applications.

- Highly absorbent & soft
- Durable, extra strong
- Superior oil & grease cleanup
- Excellent wipe dry capabilities
- Janitorial & maintenance wiping
- Surface/parts cleaning
- Routine industrial cleaning & maintenance

Part#	Color	Size	Style	Weight	Qty/Case

D-544BR	Brown	9.5" x 11"	70 Sheet Bulk Roll	Heavy	16

H-Series Wipers

H-Series Wipers are designed for durability and strength. **These wipers are extremely strong (even when wet) yet have the bulk soft feel of cloth.**

Low linting and ideal for many solvent applications, applying or removal of machine lubricants, surface treatment, cleaning and maintenance.

Part#	Color	Size	Style	Weight	Qty/Case
H-3652	White	9" x 16"	Pop up	Light	10/126
H-500	White	10" x 13"	Flat Pack	Medium	500
H-4155	White	9" x 16"	Pop up	Medium	6/125
H-3792	White	12" x 13"	Jumbo Roll	Medium	1/870
H-80RP	Red	9" x 16"	Pop up	Heavy	6/80
H-8835	Blue	12" x 13"	Jumbo Roll	Heavy	1/475

Sontara Wipers

Sontara Wipers are thick and cloth like. **Strong, non-linting, and will not break down when used with solvents.** Ideal for wiping machines, tools, items with rough edges, applying strong solvents and prep work. Great for lint sensitive applications. Use white wipers for strong solvent applications and surface prep, as colored wipers may bleed.

Part#	Color	Size	Style	Qty/Case
767-500	Blue	12" x 13"	Flat Pack	500
767-500W	White	12" x 13"	Flat Pack	500
767-4000P	Blue	9" x 17"	Pop up	6/100

Wet Wypes

Wet Wypes, pre-moistened wipers are dual textured and have a smooth non-abrasive side for general use and a textured side for scrubbing tough dirt and grease. Tough on grease, but gentle on skin. Plastic container with snap lid. Removes oils, grease, paint, ink, tar and other contaminants.

Part#	Color	Size	Style	Qty/Case
WW072	Purple	10" x 12"	Pop up	72/6

**Economical,
tough & versatile**

White Knit Rags

Ideal for: General purpose use, painting, furniture, or wood staining. Will not bleed when using solvents or harsh chemicals.
